

LOWE MECHANICAL SALES INC.

LINE CARD

ACE Boiler

www.aceheaters.com

Commercial Water Heaters and Commercial Boilers. Mid Efficiency and High Efficiency.

AIC Heat Exchangers

www.aicheatexchangers.com

AIC Manufactures all types of Heat exchangers. Both single and double wall available.

AIRIUS

www.theairpear.com

Airius manufactures high efficiency destratification fans for different types and sizes of buildings. Airius products have assisted thousands of facilities around the world to increase comfort, balance humidity, increase indoor quality, reduce carbon footprints, contribute LEED points and save on HVAC energy costs.

Acquaer Pumps

www.acquaerpumps.com

Acquaer offer a complete line of sump pumps, sewage pumps, battery back up sump pumps, utility pumps, pond pumps, submersible pumps. As a subsidiary of LEO Pumps, Acquaer can meet almost any residential, commercial, industrial pump application.

Innovent

www.innoventair.com

Innovent is part of the Unison Comfort Group of companies. Innovent Air Handling Equipment has met the specialized needs of thousands of customers across North America, providing custom solutions for a wide range of facilities, including educational, health care, industrial, government, hospitality, recreational, research and retail. Innovent specializes in Custom Air Handlers, Custom Energy Recovery Units, Desiccant Dehumidification Units, Pool Dehumidification Units and Replacement Air Handlers.
